**About Geodrill Limited**

Geodrill has been successful in establishing a leading market position in Ghana and Burkina Faso. The Company also has operated in other West African jurisdictions and is entering into the African Copperbelt. The proximity of Ghana to countries such as Mauritania, Liberia, Sierra Leone, Nigeria and Cameroon positions the Company favourably in its ability to service these markets. Geodrill provides a broad selection of diverse drilling services, both exploration and delineation, to meet the specific needs of its clients. Geodrill operates a fleet of high performance multi-purpose rigs, which offer the versatility of being able to perform both reverse circulation and diamond core drilling. Geodrill's current client mix is made up juniors, intermediates and majors that are exploring for gold and other minerals.
