About Geodrill Limited

Geodrill has been successful in establishing a leading market position in Ghana and Burkina Faso and also operates in other West African jurisdictions including Cote d'Ivoire and Mali. The Company provides a broad selection of diverse drilling services, both exploration and delineation, to meet the specific needs of its clients. Geodrill operates a fleet of high performance multi-purpose rigs, which offer the versatility of being able to perform both reverse circulation and diamond core drilling. Geodrill's current client mix is made up juniors, intermediates and majors that are exploring for gold and other minerals. The Company's operational proximity to countries such as Mauritania, Liberia, Sierra Leone, Nigeria and Cameroon positions the Company favourably in its ability to service these markets.

Forward Looking Information

This press release may contain "forward-looking information" which may include, but is not limited to the future financial or operating performance of the Company, its subsidiaries, future growth, results of operations, performance, business prospects and opportunities. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "believes", or variations (including negative variations) of such words and phrases, or by the use of words or phrases that state that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved.

Forward-looking statements are based on certain assumptions and analyses made by the Company in light of its experience and perception of historical trends, current conditions and expected future developments and other factors it believes are appropriate. Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company and/or its subsidiaries to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements contained in this press release including,

without limitation those described in the Management's Discussion & Analysis for the quarter ended September 30, 2015 and the Company's Annual Information Form dated March 31, 2015 under the heading "Risk Factors". Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in such forward-looking statements, there may be other factors that may cause actions, events or results to differ from those anticipated, estimated or intended. Should one or more of these risks or uncertainties materialize or should assumptions underlying such forward-looking statements prove incorrect, actual results, performance or achievements may vary materially from those expressed or implied by the forward-looking statements contained in this press release. The forward-looking information and forward-looking statements contained herein are made as of the date of this press release and the Company disclaims any obligation to update or review such information or statements, whether as a result of new information, future events or otherwise, except as required by law.
