REF: YOUR LETTER 16.05.21, CONFIRMATION OF DONATION FUNDS

Hi Sister

Per your letter 16.05.21, s quick note confirming Geodrill is pleased to provide OTC with assistance by way of 50,000 cedi donation. Kindly provide us with your bank details so our finance dept can arrange a wire transfer, later today.

Also, it's been a while since I visited. If u don't mind I'd like to pop out and see how you're coping with things. Covid has knocked us all for six. In such times we can take comfort in words of Sir Tom Moore the 100-year old war veteran, whose motto was "Tomorrow will be a good day".

Ah, enough of that. I can visit any day later this week.

Let me know if timing suits.

Kind regards

Dave Harper
